

"TWENTY-EIGHT BUCKS?? WHAT THE FUCK? ...Oh, I see: three dollars for the burgers and Cokes and twenty-five for not telling our parents about the foot-job you just gave me."

"After the baptisms Reverend lets me bob for turds."

"I'm a teen-ager and you're a teen-ager. . . . Isn't it wonderful to have so much in common?"

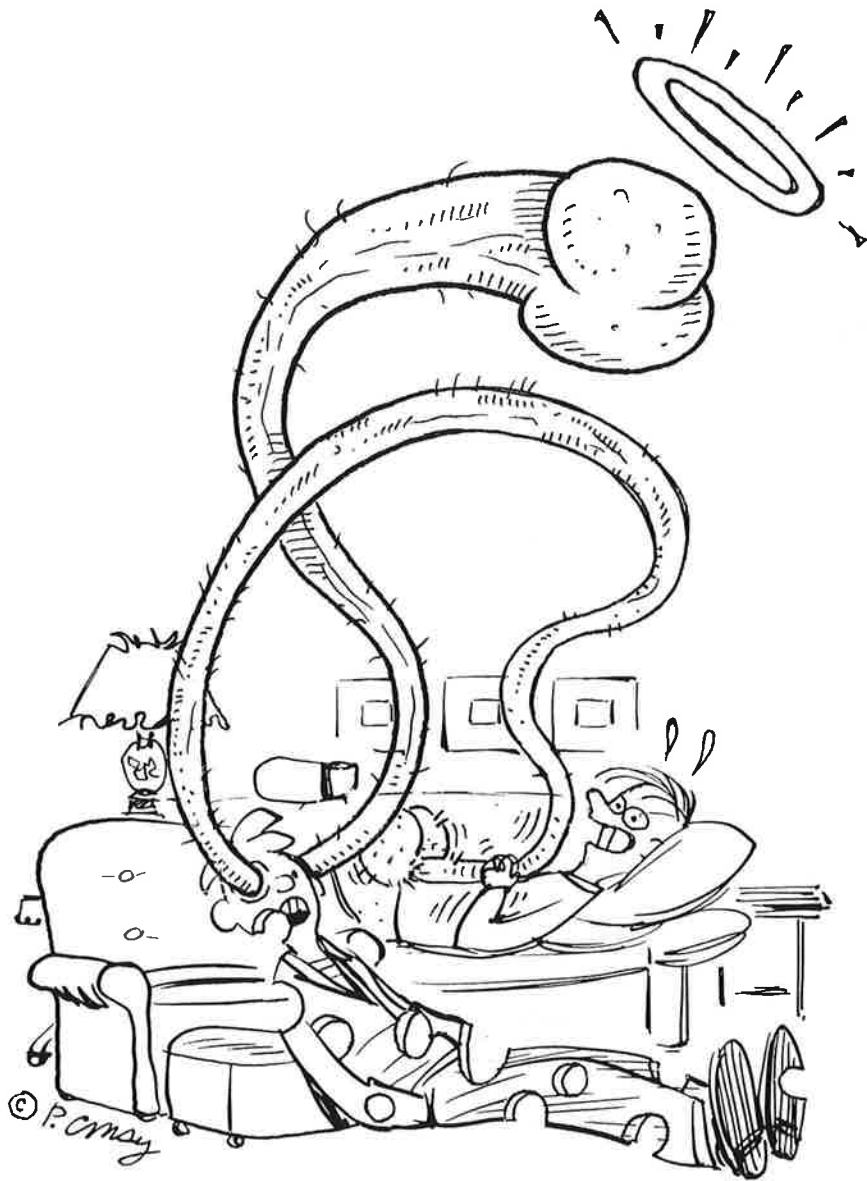

"I must be getting better. . . . They're all in the target!"

"What do you mean, I'm not as spiritual as I could be? I bowl in **three** church leagues, don't I? I can hardly believe you judge me like this merely because I defecate in public!"

"'In the beginning God created the heaven and the earth.' . . . How's that for being able to ~~quote scripture~~ jack dick?"

"I wonder if there's such a thing as a spiritual dentist?
I think my whole personality is full of cavities!"

"Step right in. . . . I'll hold the door for you!"

"Did you ever have a dream that really shook you up, Mom? Last night I dreamed that Albert Schweitzer was beating me off."

"I think I must be making progress. . . . Three times this week I've been **SWALLOWING THE WHOLE THING WITHOUT GAGGING!**"

"I just signed up for my fourth straight year at youth camp. . . . I mean . . . wow . . . is my kiddie porn collection gonna swell!"

"I have to hang up now, Gloria. My dad is ready to be my 'little bitch.'"

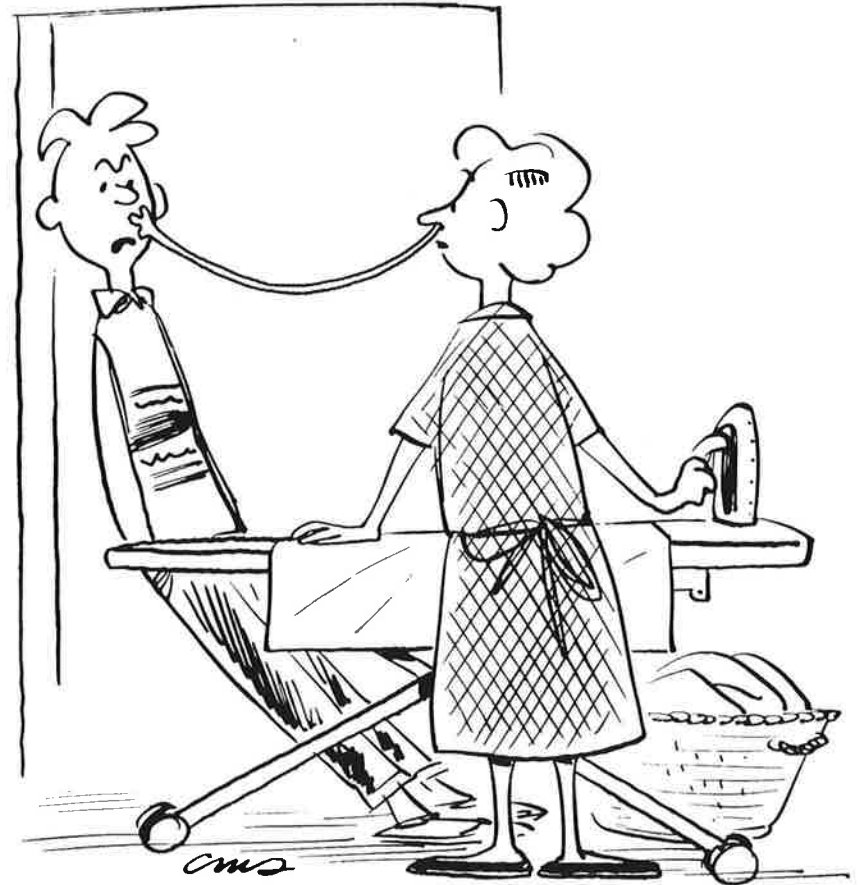

"So who else do you know who has an electric guitar he can plug into the lighter in his car?"

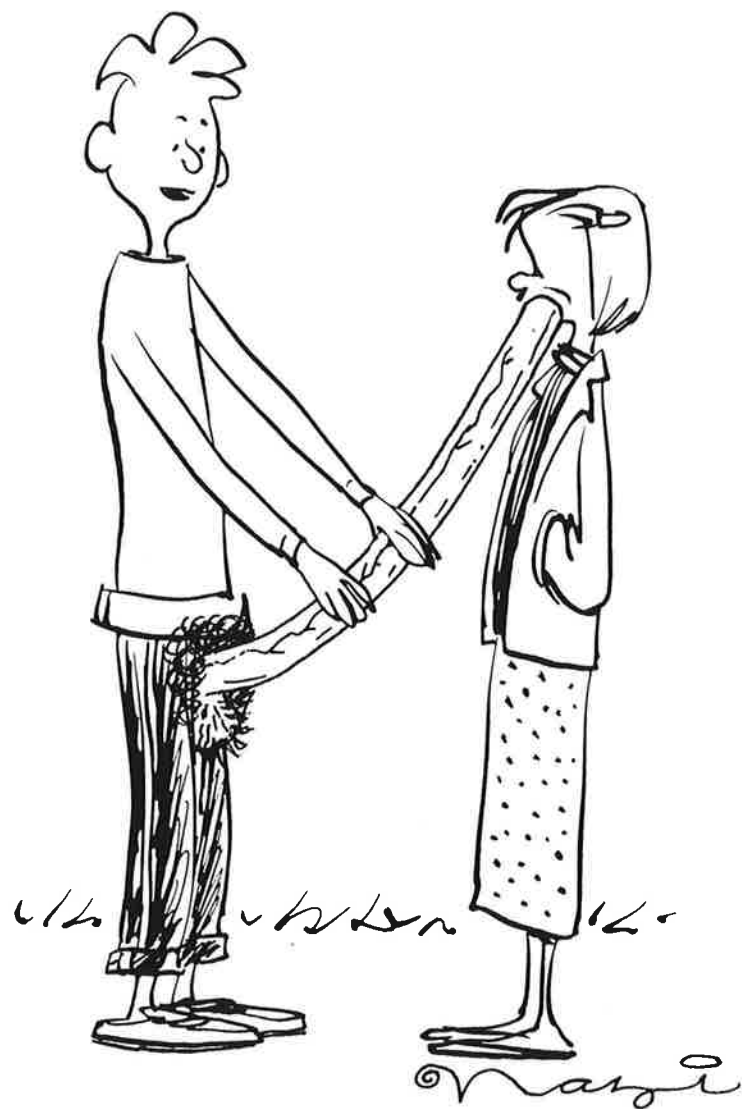

"Do you think anyone is interested in the number of hot-dishes the church has ~~served~~ since the day of Pentecost?"
 RAPED

"No, I think anyone who wears **"charlie manson Earmuffs"** should expect to be followed by little **bitches!**"

"Mom, get yer fuckin' booger offa my face!"

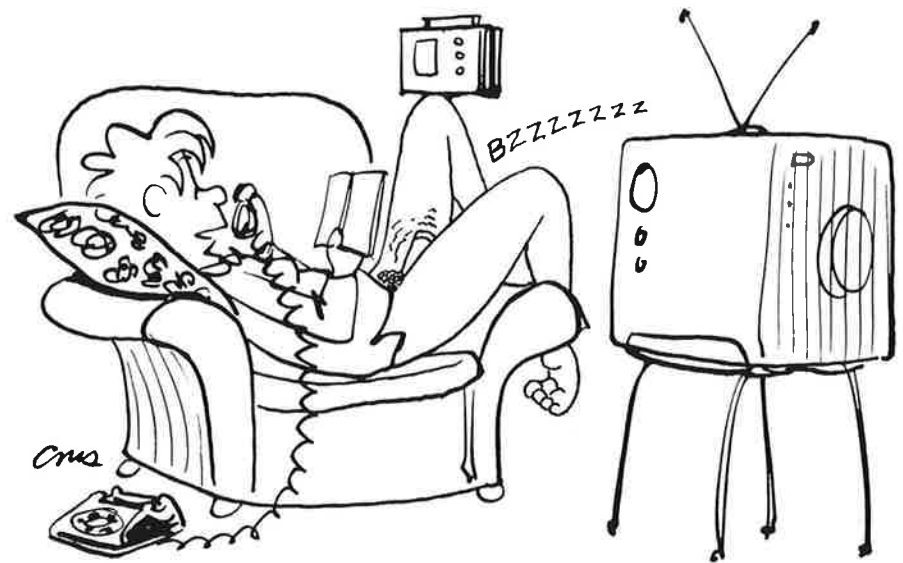

"I rolled down the sleeves of my sweatshirt because I think it's nice to be dressed up once in a while... Creepin' christ, woman, where'd you ever learn to gobble choad like that?!"

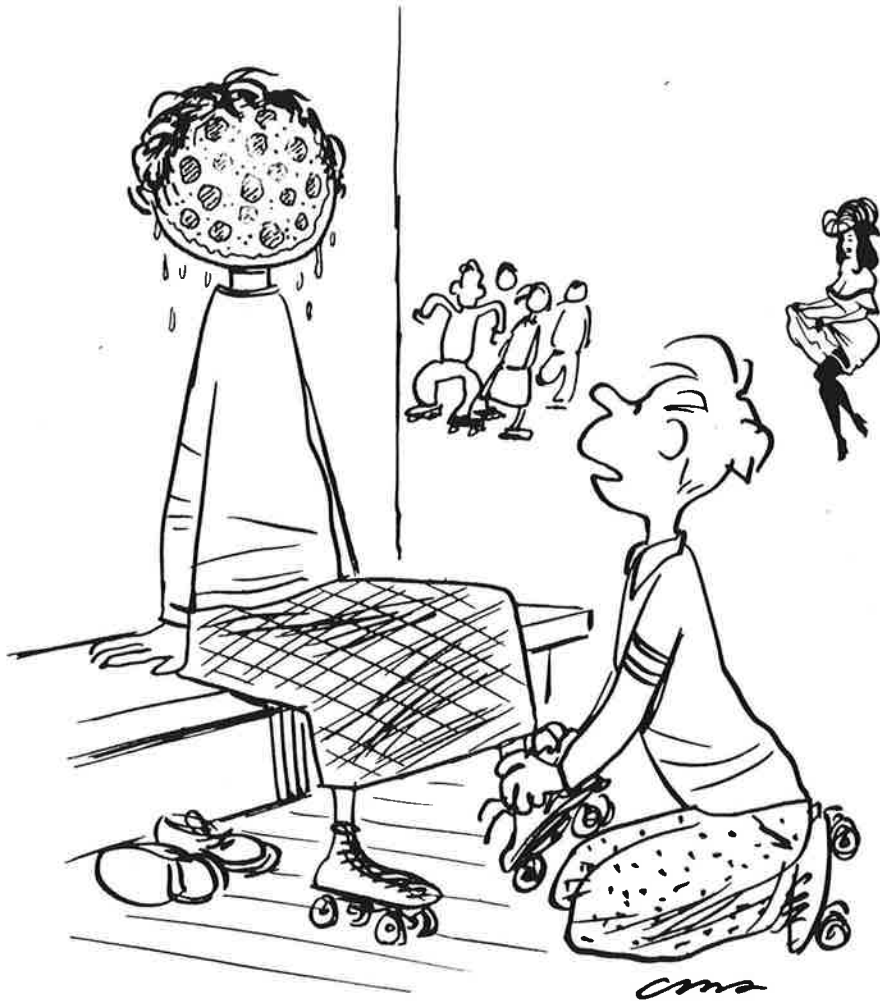

"Sure, my ears are freezing, but if I put on earmuffs, no one will be able to see my beautiful ~~sideburns~~ Scars, noserings, and tattoos."

"Sorry, honey... it happens every time I see
Urkel on the screen..."

"Sure, I can listen to the radio, watch TV, read a book,
and talk on the telephone all at the same time, but I will
admit that I'm glad masturbation is automatic!"

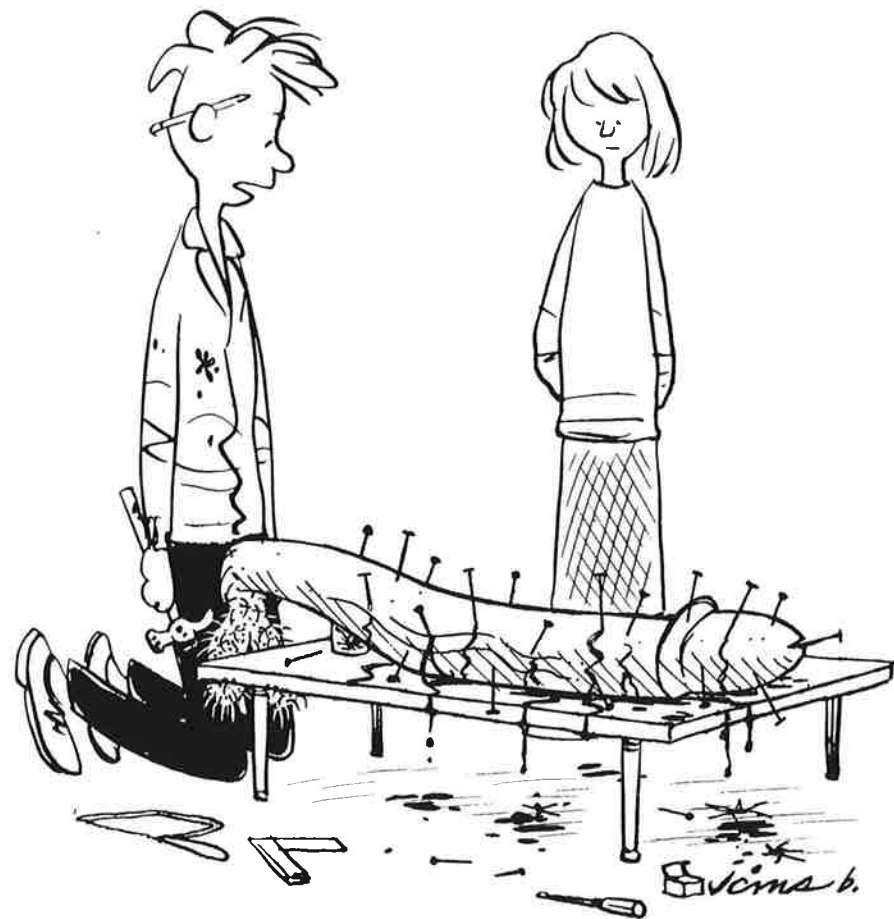

"I hope you won't be offended, Gladys, but did you know that one of the reasons I first fell for you was that you have a face like a great big pizza?"

"What's the matter? Don't you like ice cream cones?"

**SKINNY ? Ever fantasize
about Satan ?**

"It started out be a Ping-Pong table for the Youth group,
but somehow along the line it turned into a coffee table
for the Woman's Missionary Society!"

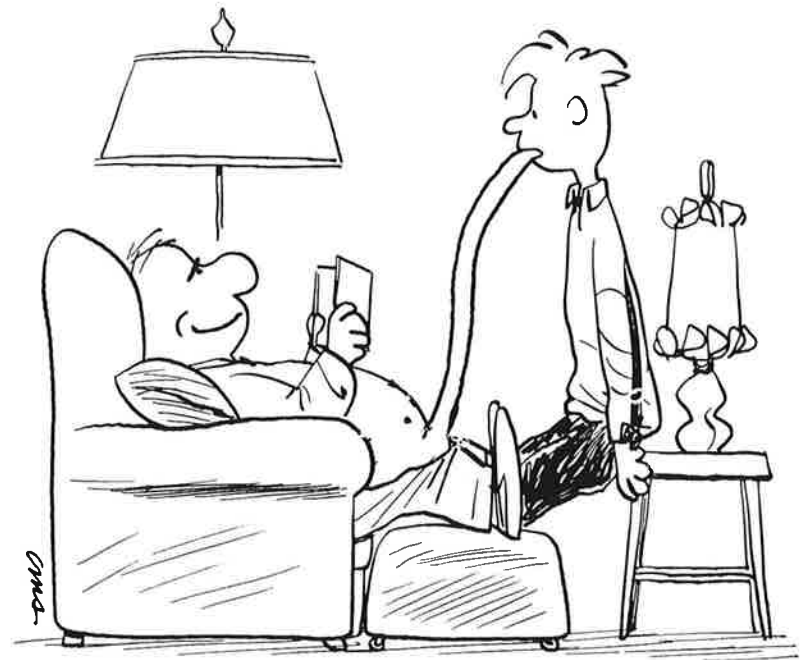

"No. In this country we shake hands."

"Really, her cunt's so small she could fuck a fly?... could I have her number?"

"I want all of you to direct your attention to this prick. . . . If we can somehow get hold of only seven hundred and fifty thousand more like it, we can build our new church!"

"I STOLE SOME MONEY FROM THE Youth Fellowship this month, Dad. . . . Do you think we could start USING-
CONDOMS NOW?"

"Mom, could you leave work early and come on home?
Dad's awful horny..."

"Reverend, I may be a sinner and an atheist, but
I feel it's my duty to inform you there's a giant
pubic hair on your threshold."
